

Casino Operations Executive

Reporting to the Casino Manager, this role will play a vital part in FSB's Casino operations by fulfilling a number of daily tasks to drive the casino product and revenue for FSB and our clients. Working within the overall FSB Marketing Services team, the role will involve managing new and existing casino content for our platform partners and having input on the ongoing relationships FSB have with casino providers. This role is ideal for a hard-working candidate with casino experience, or someone confident looking to break into the iGaming industry.

Responsibilities:

- Play a key role in the daily operational support the Casino team provide FSB's platform partners
- Operate as the main line of support to the Casino Manager, assisting them with the day to day operation of the casino product
- Liaising with current casino providers to access new game content and uploading this content onto partner properties via our CMS with relevant assets
- Taking charge of the display, optimisation, arrangement, tagging and segmentation of our casino library on our various partner properties to help drive customer turnover, interest and revenue
- Liaising with game providers to create weekly/monthly new release schedules for our platform
- Work alongside the Head of Casino to gather and interpret overall casino performance numbers
- Supporting the Head of Casino to maintain QA management
- Maintaining the UKGC casino games register for FSB
- Assisting the Casino Manager in carrying out competitor analysis
- Carry out any other tasks deemed reasonable by the line manager within the remit of the role.

Requirements:

- Technically proficient; comfortable operating content management systems at pace
- Strong interest and knowledge in casino with previous industry experience a real plus
- Awareness of how the casino supplier ecosystem works

Personal Attributes:

- Hard working, driven individual
- Willingness to learn and a desire to self-develop
- Problem solver with can-do attitude
- Works well as part of a team and on own initiative
- Excellent interpersonal skills
