

# Junior Finance Analyst

As the Junior Finance Analyst you will be involved in the financial analysis process undertaking a variety of financial and non-financial tasks in order to help ensure the business is efficient in issuing sales invoices in a timely manner. You will be working closely with the Finance Analysts to explain complex billing and financial information, as well as working with key internal stakeholders, including but not limited to Customer Services, Account Management, Business Intelligence teams to ensure effective communication takes place and internal processes are streamlined.

This role involves a high volume of Excel financial analysis.

## Responsibilities:

- Perform financial analysis activities including but not limited to payment providers, casino providers and any other kind of ad-hoc reconciliations and analysis.
- Perform general accounting functions and activities including but not limited to the preparation of monthly operators management accounts.
- Handling daily communications with clients, suppliers and payment providers.
- Analyse costs, pricing, variable contributions, sales results.
- Ensure quality control over financial transactions and reports.
- Improve processes and existing reporting tools within the department.
- Maintain a documented system of accounting and analysis policies and procedures.
- Analyse all accounting records and ensure financial data is reliable and gives a true and fair view of the financial position.
- Support the Finance Manager with the day-to-day, monthly and year-end operations of the finance department.

## Requirements:

- Possess Bachelor of Accountancy, ACCA, ACA, CFA or similar professional qualification.
- 1+ years post qualification experience.
- Excellent communication skills and strong inter-personal skills.
- Strong knowledge of Microsoft Office tools.
- Integrity and professional ethics.
- A self starter and work under minimal supervision.
- Diligent and able to work on your own initiative.
- Excellent organisational skills and a great multi-tasker.
- Be able to prioritise and manage work without losing attention to details.
- Being eager to learn and to deliver on expectations.

Desirable:

- Previous experience of working in the iGaming/Gambling industry
