

Java Developer

Hours: Full Time, 37.5 hours

Contract: Permanent

Location: Hybrid - Central London (Nearest tube station: Oxford Circus) / Remote

About the company

FSB is one of the leading platform providers in the Sports Betting and iGaming sector. With an ever-increasing client base spanning across various countries and continents, you'll be joining us at an exciting time as our company grows and our journey accelerates rapidly in continuing to achieve great success. Will you be the next member of Team FSB? Develop your dream role and bet on us!

About the role:

FSB is looking for an experienced Java Developer to contribute to the development of the FSB platform. As a Java Developer you will be working closely with Product Owners, other Developers and Partners to make sure we deliver a consistent user experience across our different platforms (Web, iOS and Android).

Responsibilities:

- As a Java Developer you are contributing to FSB's platform development lifecycle by:
 - taking ownership of your assignments:
 - analysing and designing with the help of your lead
 - coding using FSB standards
 - writing tests
 - providing regular communication and updates about progress using FSB's communication channels (Jira, Discord and emails)
 - ensuring good deployment and usage of deliverables on FSB's environments (CI, UAT, QA, Staging, Live)
- Helping other team members by code-reviewing their assignments
- Collaborating with other FSB's employees and external partners to fulfil assignments
- Having a proactive approach to continuously improve FSB platform
- Spreading knowledge about your assignments; mostly, but not restricted to, via team meetings
- Assist with any other reasonable tasks within the context of the role/team/department as specified by the line or authorised manager

Essential (must have) – knowledge, skills and experience

- Core Java with commercial experience of at least 4 years
- Java EE Technologies; EJB, JPA, JTA, JMS

- Spring
- PostgreSQL, MongoDB
- Git
- Maven

Desirable (nice to have)

- Experience in the gambling industry
- Wildfly
- Apache Camel, Karaf
- Apache Inite / Gridgain
- Vagrant

We would be keen to see if your talent matches our requirements. Please submit your interest via our website: <https://fsbtech.com/careers/>

Disclaimer: Please note that FSB currently does not have a licence to sponsor anyone who does not have the right to work in the UK.
